It gives me immense pleasure to present the Placement Brochure of the Batch 2019-2024 of Maharashtra National Law University Aurangabad (MNLU-A). This is the third batch of the University consisting of 56 students, and it fills me with immense pride and joy to witness this batch embark on their bright and promising careers.

Since its establishment in 2017, MNLU-A has constantly worked on emerging as a leading centre for legal education. The students have undergone internships with leading national and international law firms, corporate institutions, reputed NGOs, public sector enterprises, high-level litigants, and higher judiciaries. They have gained invaluable exposure through these internships, which will allow them to succeed in professional life. They have optimally utilized these crucial years to venture into the legal world as interns so as to acquire the proficiency and insight that only practical experience can give.

We have witnessed active participation and contribution from this batch in every sphere; they have won laurels in various activities, including conferences, moot courts, mediation competitions, sports, literary competitions, and debates. The students in this batch strive to be responsible legal professionals, which I trust and hope will make them serve your organization with the utmost loyalty and reverence.

I welcome your esteemed organization on behalf of the MNLU-A family to come and interact with our students and evaluate their suitability for your organization. In this connection, I find it highly significant to mention that the recruitment of any of our students is not an expense incurred by the recruiter but a long-term investment.
